Flatulency. Heart burn. Flatulency, Heartburn, Indigestion and Constipa-

Of new discoveries there is no end, but no of the most recent, most remarkable and one which will prove invaluable t thousands of people, is a discovery which it is believed will take the place of a other remedies for the cure of those conmon and obstinate diseases, dyspepsi and stomach troubles. The discovery EXPERT SHOWS CHARTS not a loudly advertised, secret paten medicine, but is a scientific combination of wholesome, perfectly harmless vege table essences, fruit saltz, pure pepsi-

form, pleasant to take, and will preserve their good qualities indefinitely, whereas all liquid medicines rapidly lose whatever

This preparation is called Stuart's Dysbeen subportant. Charles Luling, who pepsia Tablets and it is claimed that one was the clerk of the district court at the of these tablets or legenges will digest many of the Democratic camp, amplion if they will take the advice of many of the Seigwick county delegation the United Stores Ficalth Reports and willing to go can the stand and awear that the writing was that of Judge Reed, but he was not called for a sample of a chart for the convention assembled at 11 o'clock. The convention assembled at 11 o'clock restrictly morning and effected the following that The Convention assembled at 11 o'clock restrictly morning and effected the following manner: A least of the letters which made up the entry and also a chart of letters which were the store that the writing was that of Judge Reed, but willing to go can the stand and awear that the writing was that of Judge Reed, but he was not called for such by mail. You can got a trial outfit for the writing was that of Judge Reed, but he writing wa time Jodge Reed was on the bench, was from 200 to 3,000 times its own weight of in other entries of the docket. These lot- heat), one of these Tablets was then and every line in the letters was brought perature maintained for three hours and out and be explained everything that a half, at the end of which time the egg might be questioned in the matter of was as completely digested as it would bundwriting, showing that in both of the have been in a healthy stomach. This charts there was a similarity of the experiment was undertaken to demon-He went into the details of Judge it would also do in the stomach, hence its unquestionable value in the cure of dyspeople are free from some form of indiever, that the Populist who goes into the that the letters were made by Judge gestion but scarcely two will have the from distress after eating, bloating from pert on handwriting and as he closed his gas in the stomach and bowels, others testimony there was not a shadow of a have acid dyspepsia or heartburn, others pepsia, but they all have same cause, fall ure to properly digest what is eaten. The stomach must have rest and assistance. and Stuart's Dyspepsia Tablets give it both, by digesting the food for it and in a short time it is restored to its normal action and vigor. At same time the Tablets are so harmless that a child can take them with benefit. This new preparation has already made many astonishing cures as for instance, the following:

After using only one package of Stuart's great and unexpected benefit that I wish to express my sincere gratitude. In fact it has been six months since I took the package and I have not had one particle of distress or difficulty since. And all this in the face of the fact that the best doctors I consulted told me my case was Chronic Dyspersia and absolutely incurable as I had suffered twenty-five years. I distributed half a dozen packages among my friends here who are very anxlous to try this remedy.

MRS. SARAH A. SKEELS. Lynnville, Jasper Co., Mo. Stuart's Dyspepsia Tublets are sold by druggists everywhere at 50 cents sized packages. A little book on Stomach Diseases mailed free by addressing F. A.

### Great February Sales... This is generally a very dull month in the Dry

Goods business, so to overcome this we have inaugurated some special sales to make a dull month a busy one. Last week's special was on Embroideries and attracted hundreds of customers. This week we have prepared for heavy selling, same as characterized our last week's sale. To do this we realize that prices must be lower than at any other time; so we promise you a good saving on every yard of these advertised goods.
